

# ALLEN INDUSTRIAL SALES INC.

**TitanX** - Reliability, Vibration & Analysis Test Labs. Vehicle Climatic Wind Tunnel.

**FasTest** - Leak & Pressure Test Connectors.

## **Pneumatics:**

Air Preparation, Valves, Actuators, Airline accessories and Repairs. Schematics available upon request.

## **Hydraulics:**

HPUs, Pumps, Motors, Valves, Actuators, Rams, Presses, Workholding and Repairs. Steel tubing and bending, hose, fittings, adapters. Absorbents and spill control.

## **3D Printing**

MakerBot - 3D Desktop printing solutions - Authorized Reseller  
3D printing services - materials: Nylon, ABS, Polycarbonate, Ultem, Carbon Fiber, Titanium, Aluminum, Stainless Steel.

## **Rapid Prototype / Product Development**

Custom CNC machining, Threading, Screw machine, secondary operations. Capacity to 25" diameter, Metal stamping and weld fabrication. Precision laser cutting of tube, sheet & plate, waterjet cutting and forming. In house CAD/CAM services utilizing SolidWorks 2017. CMM inspection (blue light) and material specifications report. ISO 9001:2008 Quality Certified. USML and ITAR.

## **Panel Enclosures**

Custom and Standard Enclosures, Sheet Metal Components. CNC punching, forming, robotic welding, and powder coating. ISO 9001:2008 Quality Certified.

## **Mayku FormBox**

The Mayku FormBox makes molds in seconds, speeding up your product development cycle. Bringing your next idea to life has never been easier.

## **Training and Exposition Center**

Topics: Stratasys 3D printing, SolidWorks 3D CAD, FARO 3D Scanning, Pneumatics, Hydraulics. **Annual Tech Expo**
